CUSTOMIZED COLLABORATION

Your Goals. Our Platform. One Custom Partnership.

Every organization has different goals. Whether you want to engage with emerging talent, showcase your technology, create a real-world challenge, or build an interactive brand experience, DotSlash 10.0 offers the flexibility to create a partnership around your objectives.

TALENT ENGAGEMENT

Connect directly with talented students through mentoring, judging, workshops, and meaningful interactions throughout the hackathon.

TECHNOLOGY & PRODUCT

Showcase your technology, tools, or products through technical sessions, demonstrations, and hands-on participant experiences.

CHALLENGE CREATION

Bring a real-world problem statement to DotSlash and engage participants through a company-led challenge, with the opportunity to offer prizes and recognition.

BRAND EXPERIENCE

Create an interactive on-ground experience that puts your brand directly in front of participants and makes your presence memorable.

Have something specific in mind?
Let's build a collaboration that works for you.

WHY PARTNER WITH DOTSLASH ?

A platform where brands meet talent, technology, and innovation.

01 — NATIONAL REACH

Connect with a nationwide student community

Put your brand in front of participants from colleges across India and expand your reach beyond a single campus.

02 — EMERGING TALENT

Discover the next generation of technical talent

Interact directly with aspiring developers, engineers, founders and problem-solvers through challenges, workshops, mentoring and judging.

03 — TECHNOLOGY & INNOVATION

Put your technology in the hands of builders

Give participants an opportunity to explore your tools, platforms and technologies through hands-on experiences and real-world challenges.

04 — INDUSTRY × ACADEMIA

Build meaningful connections beyond the hackathon

Create opportunities for interaction between industry professionals and the next generation of technical talent.

ABOUT THE ORGANIZERS

ASHINE

RESEARCH PARK, SVNIT (ASHINE)

The Association for Harnessing Innovation and Entrepreneurship (ASHINE) drives innovation and incubation at SVNIT Surat, providing a platform for startups and students to bring their ideas to life. With world-class infrastructure and mentorship, ASHINE continues to empower creators across India.

ACM NIT SURAT

The Association for Computing Machinery (ACM) is the world's largest educational and scientific computing society. ACM NIT Surat, a vibrant student chapter founded in 2005, is run by the students of NIT Surat. Our mission is to foster a thriving tech community by organizing coding contests, hackathons and workshops.
